

THE MASTER DECEIVER II

BE CAREFUL WHAT YOU ASK FOR

Coming in 2023...

The Richardson family and a host of other characters are entangled with more action, a world of drama, edge-of-the-seat suspense and eroticism while engaging in continuous spiritual warfare. Who will be made whole or destroyed?

THE MASTER DECIEVER II

Be Careful What You Ask For

Tragedy has transpired immensely in the Richardson family through the forces of darkness which have touched family members and friends and left everyone in a state of severe emotional and physical distress. Regardless of how badly you desire something, choose your path carefully.

Now, what costs do the Richardson family members and friends pay for their very unwise choices. We all have desires and dreams and work hard to accomplish them. But what happens when you become impatient and decide to walk a different path to get what you desire?

Who made the wrong choice and why? Did they turn to God for help or another source that deceived them all? Continue to read this emotionally driven series and see what price they all must pay.

Sex, money, power and status are powerful life driving forces. What happens when you finally get what you want? Be prepared!

By any means necessary sounds good, but at what price! The master deceiver, be careful what you ask for, because you just might get it! Tears will follow. Continue to read.
